GPTC Remote Learning Centers for 3<sup>rd</sup>-6<sup>th</sup> graders

Program Description Online learning can be especially challenging for some students. Georgia Piedmont Technical College is excited to announce a new program that will support students in 3<sup>rd</sup> through 6<sup>th</sup> grades in completing their remote learning, while in a safe learning environment. Our professional staff of remote learning instructional aides won't take the place of teachers but will assist with questions during remote learning and help to keep students on track as they connect with their teachers online.

Students will stay in the same room the entire day except for breaks. Desks are assigned to facilitate social distancing and contact tracing, if needed. Other safety precautions include daily COVID-19 symptom checks, mandatory face coverings, and cleaning/disinfecting protocols.

**CENTERS OPEN BEGINNING MONDAY, JANUARY 11, 2020**
